有希ちゃんは基本ラスコメですが
巻ごとに比重が大きく変わります

奇数巻がコメ多め、偶数巻がラス多め
といった感じ

そしてラス多め巻にはなんと有希ちゃんに
恋敵が現れます！

でも毎巻恋敵とキョンを奪い合ったら読めますよね？
(主に私が)

そうっ

なので一巻ことに出るのです
これをミルフィユと絡めて中学二年生辺りの方々に
良い感じの名前にしていただくと助かります

ではそうすると4巻に出る恋敵とは一体？

そんな感じで有希ちゃん4巻です
ストーリーも絶賛折り返し
お楽しみいただけると嬉しい限り

I see...
that's
good.

It's probably
just the result
of a stressful
time in her life.

Looking at
your brain, there
doesn't appear
to be anything
abnormal
going on.

ヒミヤ...

Him.

For the
time being,
though, I really
can't say
anything for
certain.

In connection
with the
symptoms
Nagato-san
mentioned,

This
temporary
memory
blockage
certainly
seems
likely to be
the result of
a strong
shock.

U-um...

Without
more time
to observe
her pro-
gress.

At the
longest, I'd like
you to stay in
the hospital for
no more than a
week.

That whatever happened, I'd be there with her to make the best of it!

I said I'd let her lead her normal life...

んん

Is there nothing we can do aside from hospitalization?

んん

Hm.

I don't want to treat her like she's sick...

Putting her back in an environment she's used to might be good for her recovery, don't you think?

Well, it's not like she'll only get better in the hospital.

And usually, if her parents weren't going to be home, I would be more comfortable hospitalizing her, but...

Well then, in-house observation.

Really?!
Thank you so much!

If she's got a friend nearby who cares so deeply about her,

I think she'll be just fine, don't you?

And more importantly...

Yes.

Aahh...

I was so nervous.

Yes.

Are you all right, Nagato-san?

Because you came with me.

Now then...

We have to have a talk about this... don't we.

That's
basically
it?!

Well,
that's
basically
it.

Seriously?!

The
next
day,
after
school.

This way,
she's still
able to come
to school like
normal.

Anyway, I'm
doing 'home
observation'
with her now.

Hang on, is
this why you
skipped class
yesterday?
To go to the
hospital?!

Her
personality
changed?!

I mean,
yeah, I kinda
noticed that
she seemed a
little morose,
but...
seriously?

Isn't this hard
on the you
that's here
right now,
Nagato?

What I'm
trying to
say is

How much do
you need to
pretend to act
like Nagato?
Isn't it hard, like
dressing up in
another person's
clothes?

No,
I get
all that.

Eh?
What?

But I mean,
that's all from
inside her own
head, right?

長門有希ちゃんの消失

?

And yeah,
after the
tests are
over, you'd
better be
ready.

So that's
basically
that

Oh?
Man, private
schools
are harsh.

We have end-of-
semester tests
rather soon, and
because of that,
we've been having
additional classes.
Our school days
end later now.

Ah, it is getting
on to test time,
isn't it... I guess
that's something
people have to
take on their
own... ah!

...Is what
they said.

This summer, we're
gonna play around as
much as we possibly
can!

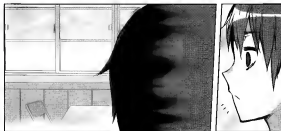

What are
you saying?

Well, I'll
help you out
whatever
you do.

That's
only natural,
isn't it?

Was that not
acceptable?

I was reading

Did you
hear
anything
about that?

I did not.

I am sure she

Ha, yeah.
I guess so.

that's why
